

Important information

General

1. Due to the current fuel price being unpredictable (aviation fuel), several drop zones are now making a surcharge of up to £30 per person, should this be the case at your selected location the London Parachute School (0845 130 7194) will contact you and advise you of this prior to processing your booking. If you choose to jump at a drop zone that has added a fuel surcharge then you will have to raise that extra amount in addition to the £395 pledge amount to jump. For example, if the drop zone you choose has added a fuel surcharge of £15 then you will need to raise a pledge of £415 (paying £200 instead £185 on the day of your jump).
2. If you would like to jump as a group of friends or work colleagues, please send, your registration forms in together with a note. Jumping slots can book up quite quickly during the summer months so please give LPS as much notice as possible.
3. **All jumpers will be covered by the BPA's Public Liability insurance for up to £2 million liability to third parties. However, this does not cover you or your dependents for personal injury (including death). We would advise that you arrange personal accident insurance for your skydive and there are a number of recommended insurers on the BPA website at www.bpa.org.uk/insurance.htm**
4. The minimum age to Tandem Skydive is 16 and jumpers must weigh less than 15 stone. If you are over 16 but under 18, you will need to obtain your parent's/guardian's permission to take part. There is no upper age limit for Tandem Skydives, however anyone over the age of 40 will need to have their 'Declaration of Fitness' signed or stamped by their GP. This form is included in your confirmation letter.
5. Weight restrictions apply. The upper weight limit for tandem skydiving is about 15 stone, however some parachute centres have a lower limit for females. If you'd like to discuss London Parachute School on 0845 130 7394.
6. There are also some restrictions in relation to medical conditions. Full details are given on the 'Declaration of Fitness' form that you will receive with your sponsor forms but generally if you have a medical condition like diabetes, epilepsy, heart disease or severe asthma you will need to get your Declaration signed by your GP, whatever your age.

7. At the drop zone you will be asked to fill out their terms and conditions.
8. Agreement with the London Parachute School (LPS). I understand that sport parachuting is an adventure sport. When participating in such sport I understand that there is a risk of injury or death regardless of the standard of training, supervision and equipment provided.

I acknowledge that the LPS have been engaged by RNID as experts in the field of parachute descents and this agreement is between me and LPS.

In consideration of LPS accepting me as a member and student parachutist, I hereby acknowledge and agree: That I will be bound by the LPS's terms and conditions and that I am 18 years of age or over (if aged 16 – the minimum age – or 17, your parent/guardian will need to sign the below declaration on your behalf).

I further acknowledge that I enter into this agreement with LPS on the basis that LPS is contracting with me directly and on its own behalf.

I further agree not to make any claim against the LPS in respect of loss of property and indemnify the LPS against claims brought against them arising out of neglect or default on my behalf whilst involved with LPS activities.

I have read and understood the terms and conditions and I agree to be bound by them and to fully comply with them.

Case study

Stephen Godwin raised £575 for RNID on a tandem skydive. Here is his story:

“ It was really great on the day. All the guys were really friendly and when I did the jump, it was out of this world. One minute you are plummeting to earth, then the next you are flying like a bird so peacefully. You don't really notice the height and the landing is fun.

I found it very easy to generate the sponsorship needed. I wrote to my local paper and they helped to raise interest in my skydive by printing a full colour page on it. I wrote to my company's head office and they also put some money towards it.

I have always been one for thrills and this was one of my dreams. I feel very proud and satisfied that I managed to do something to help. ”

Dropzone locations

We have 21 sites across the UK. Please note, not all parachute centres are open during week days. Please contact London Parachute School if you have any questions about skydiving on: **0845 130 7194**

Paying for your skydive

The payment process for your skydive is in three parts. You must pledge to raise £400 of which £165 comes to RNID and the rest pays for your skydive. This breaks down as follows:

Deposit	Skydive fee	RNID donation	Total
£50	+ £185	+ £160	= £395

Any funds raised over the pledge £395 will go to RNID.

1. To secure your place, please enclose your £50 non-refundable deposit with this form by cheque or include your credit/debit card details below.
2. On the day, you pay the skydive fee straight to the skydive centre.
3. Before you jump, you must send London Parachute School a cheque for your sponsorship pledge of £160 or more made payable to RNID. You can post-date your cheque by up to four weeks. This gives you plenty of time to collect as much sponsorship money as possible after your skydive!
